illustration+design

Education

Bachelor of Applied Arts – Illustration

Sheridan College of Arts, Animation, and Design
Sept 2004-Apr 2008

Experience

Solidwood Interiors

Designed website including Flash™ components and online catalogue.
<http://solidwoodinteriors.com>
Mar-May 2003

Flavour Mage Consulting

Designed business cards and assorted stationary for Canadian flavour consultant company. Updated cards and stationary in the following year due to branding redesign.
Jun-Jul 2003, Aug-Oct 2004

Synergy Salad

Created 56 illustrations for a do-it-yourself home installation and tool guide for women. Majority of illustrations were of iconic tools, as well as six assemblies of various installations. Created initial designs and then refined at direction of the client. Published as of Spring 2007.
Sept-Oct 2006

Neglia Design

Full time production artist. Created, modified, and updated a wide variety of designs for extensive clientele. Client list includes Sandals®, Holistic Health Research Foundation of Canada, Treasury Management Association of Canada, Local Food Plus, and Ontario Ministry of Agricultural, Food, and Rural Affairs.
Aug 2008-Feb 2009

Skills

Trained with a degree in illustration and graphic design, extensive knowledge of traditional mediums and software, including Adobe® Photoshop, Illustrator, InDesign, and Dreamweaver. Highly competent with Quark® XPress, Adobe® Flash, and Strata® 3D CX.

Other areas of expertise include isometric and orthographic drawing, painting with acrylics and watercolours, and copy editing.
